

Overnight Rules and Regulations

aka The Fine Print

For a Fun and Safe Time:

- Adults must accompany children at all times (even to the restroom at night).
- Guests must wear shoes at all times when walking around the Museum (even at night). Think of it as camping without the actual outdoors.
- Don't unroll your sleeping stuff until bedtime. We don't want anyone to be walking on your stuff to see our exhibits.
- Don't set up your bed in front of marked exits or stairwells, and leave a walkway between people. We don't want anyone being stepped on in the dark.
- Be respectful of other people and their stuff. Do not run or play on stairways, escalators or elevators. There will be plenty of ways to have fun.
- No food or drink is allowed overnight in exhibit areas. Alcohol is not permitted anywhere!
- We ask you observe quiet after midnight. Some people really try to sleep. If your idea of a sleepover is cards and chips until 3 am, we have a designated area where you can indulge. An adult must accompany children (see bullet #1, above).
- Museum Security Officers patrol the premises all night! If you have any problems or an emergency, please contact one. Please keep your group leader informed as well.
- Should an emergency arise, you will be directed what to do by Museum staff and uniformed security personnel. Please follow their directions quickly and quietly.
- Clean up your sleeping area by 8 am. Cleaning crews will start going through areas to get the Museum ready to open.
- The Museum reserves the right to ask any group to leave that does not adhere to these rules.
